World Heart Rhythm Week: more awareness of heart rhythm conditions globally |1|

The World Heart Rhythm Week (WHRW) took place from 7 to 13 June and aimed at bringing together organisations from around the world to raise awareness of heart rhythm conditions such as cardiac

arrhythmia. [Read more...](#)

Health Council reaches agreement on cross-border health directive |2|

On 8 June the Health Council reached a political agreement on the cross-border health directive. The agreement is based on the 28 May proposal made by the Spanish Presidency and has been edited further on few points, such as the provisions on E-health.. [Read more...](#)

Eucomed engages!

Eucomed welcomes Katia Maddens as Manager Membership Services |1|

Katia will focus on the development, implementation and marketing of the Eucomed Membership. Key responsibilities include identification of new members, promoting awareness of Eucomed, managing the recruitment campaign and all aspects of Membership, including new applicants, ensuring that the Association is highly responsive to the needs of both members and prospective members.

Eucomed welcomes GHTF to Brussels |2|

Eucomed was on hand last week to welcome three key working groups of the Global Harmonisation Taskforce for Medical Devices, GHTF. Meeting at the European Commission's premises over two separate meetings, on 3 and 9 June, these high levels groups discussed global regulatory harmonisation in 'Clinical safety/performance and Post-Market Surveillance/Vigilance', and 'Unique Device Identification, UDI'. Code Committee & Legal Affairs meeting of 8 and 9 June 2010 |3|

On 8-9 June 2010 Eucomed organised the Eucomed Code Committee Meeting and Eucomed LAFG (Legal Affairs Focus Group) Meeting at its offices. The role of the Code Committee is described in the Procedural Framework of the Code of Ethical Business Practice, which was adopted by the Eucomed General Assembly on 8 October 2009 and amended on 26 February 2010. [Read more...](#)

Eucomed response to consultation on standardisation published |4|

The EU Commission held a consultation on standardisation between 23 March 2010 and 21 May 2010, and has recently published the replies on its website, including Eucomed's submission. The consultation covered all standardisation, not just for Medical Devices (MD). [Read more...](#)
